Alternatively you can select from a combination of unique spaces that we will tailor to your exact requirements.

The Authors' Lounge

Steeped in history, The Authors' Lounge is located on the ground floor of the original Oriental Hotel and exudes old-world charm reminiscent of the early 1900s. Turn-of-the-century wicker furniture and hand-painted fabrics provide the ideal accompaniment to framed photographs of many of the famous writers who have stayed at the hotel. The Authors' Lounge is the perfect place for a romantic wedding reception or cocktail party. The adjoining Lounges are available for smaller private areas.
