

Dusit Island

RESORT • CHIANG RAI

Location

Dusit Island Resort Chiang Rai is situated on an island in the Mae Kok River that flows through central Chiang Rai, Thailand's northernmost province.

Located next to Chiang Rai Town and less than 45 minutes from the Golden Triangle where the borders of Thailand, Burma and Laos meet, Dusit Island Resort provides a gateway to explore the varied sights and sounds of the northern region. With easy access to the mountains, forests, rivers, ancient temples and colourful hilltribes, many of the region's major attractions are within a day's journey from the resort.

Rooms & Service

The hotel's décor and furnishings also reflect the diversity of northern Thai styles. For special functions, guests can enjoy traditional Thai dining, whilst relaxing on multi-coloured triangular cushions. The Mae Kok River provides a spectacular natural backdrop visible from all the guest rooms, as well as from the rooftop restaurant, The Peak.

Facilities

Primarily a resort hotel, Dusit Island Resort is also fully equipped to host business meetings, seminars and a variety of social functions.

Whether travelling on business or for pleasure, no trip to northern Thailand would be complete without a stay at Dusit Island Resort.
